MESSAGE FROM ORGANISING SECRETARY

Dear Friends,

Greetings from the department of Neurology & Radiology of St John's medical College and Hospital.

As part of diamond jubilee year celebration, it gives us immense pleasure to invite you to join the CME on Neuroradiology to be held at St. John's Medical College on 25th June 2023.

This CME is designed to bring all the Postgraduates in Neurology, Radiology, Neurosurgery, and radiologist, neurophysicians and neurosurgeons interested in neuroradiology with a range of useful and state-of-the-art information regarding the performance of imaging exams, the important anatomy, and typical and unusual imaging findings of a broad spectrum of diseases. This practical information from some of the best speakers and experts in their field will present you with vital information on the most common pathologies that you can use in your own practice. The course has been structured to provide a wide range of lectures regarding common problems seen in active practice. The faculty will lecture on diseases and will also present interesting cases for active audience participation.

Looking forward to welcoming you all to the CME.

Regards,
