GREETINGS FROM ST. JOHN'S MEDICAL COLLEGE!!!

St. John's Medical College celebrates 60 glorious years of its existence. To mark this historic occasion, the Department of Pathology is organizing a 2-day CME with renowned national and international speakers to enlighten us on a wide range of topics encompassing neoplastic and non-neoplastic lesions.

The scientific sessions will focus on diagnostic challenges in histopathology reporting. Topics encompass a variety of lesions and neoplasms encountered in day to day reporting as well as challenging cases with diagnostic dilemma. Didactic lectures, slide seminars and quiz will be part of the CME. The objective of CME is to simplify diagnostic histopathology for postgraduates and practicing pathologists.

In addition, there will be poster presentations and quiz for postgraduates with attractive prizes!
