TAKE A STEP FORWARD TO SAVE A LIFE

**VENUE : ST. JOHNS' MEDICAL COLLEGE, GOLDEN JUBILEE BLOCK,
GROUND FLOOR, BOYS COMMON ROOM**

TIME : 10 AM TO 4 PM

TESTIMONIALS FROM THE WARRIORS!!!!!!

“St. John’s transfusion medicine department gave me the opportunity to donate plasma post covid treatment. They took utmost care of me while donating. In this hour of dire need of blood products in general I feel it is our duty to donate without fear and do the least possible from our side which may change the livelihood of others. I thank the department again for their tremendous job in tough times.”

Dr. Cecil Fernando
Resident, Dept of Orthopedics
SJMCH

TESTIMONIALS FROM THE WARRIORS!!!!!!

Dr. Nikith A D'souza
Resident, Dept of Pediatrics
SJMCH

"A single pint can save three lives, a single gesture can create a million smiles." With the covid pandemic our responsibility to our fellow beings has become more clearer.

"Donate plasma for a chance at tomorrow for someone else."
