Medical PG Admissions to St. John's Medical College

The Karnataka Examination Authority (KEA) has initiated the procedure of application and counselling for Medical PG admissions 2020-21. In view of the restrictions on travel imposed by the Covid-19 lockdown, the KEA is requiring the applicants to scan and upload online copies of the required original documents. Please note that the "additional documents" required for those applying to St. John's Medical College in *Category One, Category Two, and Category Three* are also to be scanned and uploaded online in the same manner. The originals of these documents will be verified at the time of admission. For details and formats of the "additional documents" required for St. John's Medical College, are available on St. John's Website (www.stjohns.in).
