

## Publications

1. Renuka Satish, Thomas Mathew, Gokulnath. Rare complications of peg. interferon Alpha 2a in Hepatitis C positive patient on maintenance haemodialysis. Saudi J Kidney Dis Transpl. 2012(1), 139-142 (IP:117.192.235.29).
2. Review of Oxidative Stress in relevance to Uremia: Ravi Prakash. Published in Clinical Queries Nephrology Volume 1, Issue 3, pp 215-221, July 2012 (link – <https://doi.org/10.1016/j.cqn.2012.06.002>)
3. Dyselectrolypemias and acid based disorders in acute kidney injury: Ravi Prakash. Published in Clinical Queries Nephrology Volume 1, Issue 1, pp 70-75, Jan 2012 (link – [https://doi.org/10.1016/S2211-9477\(11\)70009-7](https://doi.org/10.1016/S2211-9477(11)70009-7))
4. Gokulnath, Prashant, Chapter titled “RPGN – as a presentation of small vessel vasculitis” ECAB clinical update: Nephrology, Elsevier publication, 2012, pages 41-60.
5. Gokulnath, Kiran K.K., Arun T. Icodextrin and Acute Pancreatitis in CAPD patients. Journal of the International Society of Peritoneal Dialysis, Vol. 32, Suppl. 3, Sept. 2012 (S147).
6. Usha Bapat, Prashant G. Kedlaya, Gokulnath. Perceived Illness Intrusion among patients on CAPD. Saudi J. Kidney Dis. Transpl. 23(5), 2012, 958-964 (Pubmed ID: 22982907).
7. Vinod, Mallikarjun, Gokulnath. “A mini series of tuberculous peritonitis in CAPD patients – Diagnostic implications and outcomes”. Indian Journal of Peritoneal Dialysis, Vol. 23; pages 32-36, 2012.
8. Prashant G.Kedlaya. Chapter titled “Uric Acid-associated Nephropathies and Nephrolithiasis” in a book on “Hyperuricemia: A Renal Perspective. ECAB Clinical Update: Elsevier Publication, 2012, pp 26-43.
9. G.K. Prashant, Usha Kini, Suraj Manjunath, Rakesh. Lethal recurrent squamous cell carcinoma in a post-renal transplant recipient. Indian Journal of Transplantation. Elsevier publication, April-June, Vol. 7, No. 2, 2013 (link – <https://doi.org/10.1016/j.ijt.2013.03.002>)

10. Gokulnath, Manisha Sahay, Sanjay Kalra, Vijay Vishwanathan, Abdul Hamid Zargar, et al. Protocol of an observational study to evaluate diabetic nephropathy through detection of microalbuminuria in Indian patients. *Indian Journal of Endocrinology and Metabolism*, May-June, Vol. 17, Issue 3, 2013 (Pubmed ID: PMC 3712383).
11. Prashant G. Kedlaya. A review on “Metabolic acidosis in the critically ill and continuous renal replacement therapy” published in *Kuwait Medical Journal* 2013; 45(4): 286-290.
12. Prashant G. Kedlaya, S.G. Subramanyam, H. Raja and P. Divya. Tubercular ileal perforation – Atypical, acute presentation in a renal transplant recipient – A case report. *Indian Journal of Tuberculosis*, May 2013, pages 233 – 236 (link – <http://imsear.hellis.org/handle/123456789/159979>)
13. Renuka Satish, Pritilata Rout, Betty Alexander. “Double Primary carcinoma in renal allograft recipient”. *Saudi Kidney Dis. Transpl.* 2014; 25(6): pages 1251 – 1254 (link – <http://www.sjkdt.org>, IP: 117.192.235.29)
14. Bhavana Shailendranath, Usha Devi C., Prashant G. Kedlaya. “Sensory evaluation of developed food products for hemodialysis patients”, *International Journal of Science and Nature*. Vol. 5 (4) 2014: 723-729 (Full text).
15. Bhavana Shailendranath, Usha Devi C., Prashant G. Kedlaya. “Impact of knowledge, attitude and behavior among maintenance hemodialysis patients for adherence to dietary regimen – A single centre experience”, *International Journal of Humanities and Social Science*. Vol. 4 (12) 2014: 257-262 (Full text).
16. Limesh M., Atul Desai, Prashant Kedlaya, Renuka S. “Renal Tubular Acidosis in Sjogren’s Syndrome – A case Series, *Urology, Nephrology and Andrology International*. Vol. No. 1, January – June 2016.
17. Limesh M. Atul Desai, Renuka S., Prashant Kedlaya; Combined clinical consequences of an individualized dialysate sodium prescription and dietary sodium restriction in hemodialysis patient. *Urology, Nephrology and Andrology International*, July – Dec. 2016, Vol. 1, No. 2 pp 53-61.
