Course Overview

The Postgraduate Diploma in Geriatrics (PGDG) is a one-year hybrid course designed to equip allopathic doctors with essential skills in geriatric care, delivered through a blend of structured online learning and hands-on contact sessions.

Aligned with St. John's mission of service and excellence, the course prepares doctors to address the growing healthcare needs of India's ageing population. Upon successful completion, participants will be awarded a certificate from St. John's Medical College.

Course Highlights

- Hybrid learning format
- Structured online modules
- Live interactive sessions by expert faculty
- Hands-on contact sessions at St. John's
- Case-based, problem-oriented learning
- Comprehensive assessment methods

Who can apply?

Minimum eligibility: MBBS graduates with valid State/National Medical Council registration

Ideal for:

- Rural and community-based doctors
- Clinicians managing elderly patients
- Doctors seeking structured training in elderly care
