2.2 MBBS - COURSE DETAILS

2.2.1 Course Outline:

- The current curriculum for MBBS applicable from the Academic year 2019-20 onwards, is competency based and focuses on the Medical Graduate being competent to perform tasks of a "primary care physician of first contact", after completion of training. The learner has to take

MBBS Admission Bulletin 2026-2027 dated 9th May 2026

responsibility for his/her own learning. The MBBS course is of four and a half years duration and is followed by one year of **Compulsory Rotating Residential Internship**.

The broad guidelines of the course are given below:

- The course begins with a **Foundation Course** sensitising the students to the health situation in India, the role of doctors in the community and basic principles of Communication & Ethics.
- The undergraduate course in medicine comprises of three Phases.

Phase I- The first stage of 12 months duration (Term 1 and 2) consists of the basic sciences:- Anatomy, Physiology and Biochemistry. This will be followed by **the 1st Professional Examination**. Passing in the First Professional Examination is compulsory before proceeding to Phase II training. Supplementary examination will be conducted shortly after the main exam so that the students who pass can join their original batch. Those students who fail in the supplementary examination will have to appear for the I MBBS exam after one year.

Phase II- The next stage is of 12 months duration (Term 3 and 4) and comprises of the core subjects of Pharmacology, Pathology & Microbiology. This will be followed by the **2nd Professional Examination**. A student, who fails in the 2nd Professional examination, can proceed with the training but shall not be allowed to appear in the 3rd Professional Part I examination unless she/he passes all subjects of 2nd Professional examination.

Final MBBS Part 1- Final MBBS consists of 2 parts. Part 1 is for 12 months duration (Terms 5 and 6) and covers Ophthalmology, ENT, Community Medicine & Forensic Medicine. This will be followed by the **3rd Professional Part 1 Examination**. A student, who fails in the 3rd Professional examination, can proceed with the training but shall not be allowed to appear in 3rd Professional Part 2 examination unless she/he passes all subjects of the 3rd Professional Part 1 examination.

Final MBBS Part 2- The last stage is of 18 months duration (Terms 7- 9) and covers General Medicine, Paediatrics, Surgery, Orthopedic Surgery and Obstetrics & Gynaecology. It is to be noted that the students will be attending Clinical postings and lectures in these subjects from 3rd term

MBBS Admission Bulletin 2026-2027 dated 9th May 2026

itself. The end of 9th term will be followed by the **3rd Professional Part 2 Examination**. A Student, who fails in the 3rd Professional Part 2 examination cannot proceed to the Internship unless she/he passes all subjects of 3rd Professional Part 2 examination.

When the NEXT examination is enforced, the student will appear for the same at the end of Final MBBS Part 2.

1. The clinical subjects to be taught from Phase II onward are Medicine and its allied specialties, Surgery and its allied specialties, Obstetrics and Gynaecology and Community Medicine. Clinical postings will begin from Phase II.
2. Besides clinical postings as per schedule mentioned herewith, rest of the teaching hours will consist of didactic lectures, demonstrations, seminars, group discussions, etc. in various subjects.
3. Clinical skills will be taught not only at the bedside of the patients, but also in the well- equippedskills lab, use of simulated patients and paper-based cases.
4. In addition to teaching of the medical subjects mentioned above, Medical Ethics, Professionalism and Communication Skills will also be taught (AETCOM Models) throughout the course.
5. Students will have ample opportunities to do research under the guidance of a faculty. This is entirely voluntary and student driven.
6. **Elective postings:** The student will also undergo a compulsory elective posting after Final MBBS Part 1, which consists of 2 weeks posting in a Pre/Para-clinical/research/laboratory department & 2 weeks posting in a clinical department
7. Family Adoption Program (FAP) is a compulsory program mandated by the NMC and entails adoption of families by students with periodic visits to the community.
8. **The internship lasting 12 months** comprises of rotations in Community Health, Medicine, Surgery, Obstetrics & Gynaecology, Paediatrics, Orthopaedics, Emergency Medicine and short electives in various specialties. All these are as per the guidelines of the NMC
