

International women's day

The International women's day , March 8, 2022 was celebrated in St . John's college of nursing. Dr. Elizabeth Jasmine, Principal of Indian Institute of Psychology & Research was the chief guest of the day. The 2nd year GNM students conducted an educational program. The theme of this year "Gender equality today for a sustainable tomorrow" , was presented in the form of a skit and mime, ramp walk, and Power Point presentation. Dr. Elizabeth emphasized on the practical tips on gender equality and women empowerment. Rev. Dr. John Varghese, ADH, in his message emphasized on the strengths of a women and the extent to which a woman is capable of implementing a change. Sr. Ria Emmanuel, CNS, Principal & Faculty also were present for the programme. The program came to an end with St.John's anthem .
