

World Kidney Day

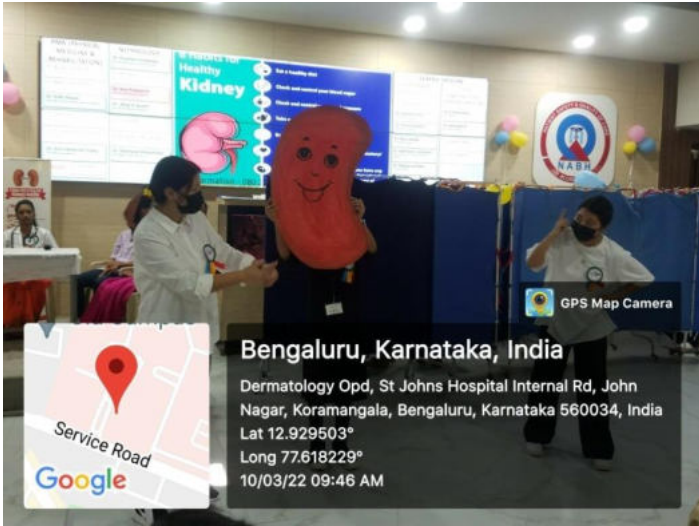

An educational programme was organized by the GNM 3rd year students at the SJMCH outpatient Department Foyer as part of world kidney Day on 10th March 2022.

The Health education was centered on this year's theme 'Kidney Health for All-Bridge the Knowledge gap to better kidney care'.

Rev.Fr.John Varghese Associate Director, St.John's Nursing college and Hospital unveiled the theme, Dr. Prashanth G.Kedlaya (HOD of Nephrology) who was the Chief Guest, addressed the public gathered on this occasion and emphasized the importance of kidney health.

Following the programme Sr.Ria Emmanuel CNS SJMCH inaugurated the chart exhibition for the general public. The ADC, SJMC, Principal, SJCON & Vice Principal- UG also graced the occasion.
