

BLS & ACLS Instructor Course -2025

organized by

The Department Of Emergency Medicine

St. John's National Academy Of Health Sciences, Bangalore- 560034

BLS Instructor Course

Candidates who have completed the AHA BLS Provider course within the last 2 years and have shown a high level of competence and skill in the theory and practical exam are eligible for the BLS Instructor course. Prior to attending the classroom course, candidates will have to register for and complete the BLS Instructor Online Essentials course and show the certificate. Details regarding this will be informed to them via email, once they complete the online registration for BLS Instructor course. The duration of the classroom course is about 4 hours and consists of lectures as well as practical training on how to be an AHA instructor.

ACLS Instructor Course

Candidates who have completed the AHA ACLS Provider course within the last 2 years and have shown a high level of competence and skill in the theory and practical exam are eligible for the ACLS Instructor course. Prior to attending the classroom course, candidates will have to register for and complete the ACLS Instructor Online Essentials course and show the certificate. Details regarding this will be informed to them via email, once they complete the online registration for ACLS Instructor course. The duration of the classroom course is 9am to 4pm and consists of lectures as well as practical training on how to be an AHA instructor.

Please confirm eligibility before making payment.
